An opportunity is now afforded to all who desire to consult with the Great Healer.

ATTORNEY-GENERAL MARSHALL'S REPLY TO HON. T. E. JONES: OFFICE OF THE ATTORNEY-GENERAL OF THE STATE OF CALIFORNIA, OFFICE OF THE ATTORNEY-GENERAL OF THE STATE OF CALIFORNIA,

SAN FRANCISCO, March 18, 1884.

HON. T. E. JONES-MY DEAR SIR: I have just received your letter of 15th. Dr. MacLennan has wonderful power. He was of great and singular service to me. I would
certainly try him if I were in your place. He has worked some wonderful cures within
my knowledge. I do not pretend to understand the force he uses, nor do I think he is useful
in every case, but in Nervous Depression, or Exhaustion, or any Nervous Affection, including
Paralysis, I think he is very effective. Respectfully,

E. C. MARSHALL.

Mr. CHARLES CROCKER the railroad millionaire, cured of rheumatism in three treatments.

A MOTHER'S JOY.

I wish to return a mother's heartfelt thanks to Dr. J. D. MacLennan for the wonderful change he has worked for the better in the health of my baby boy. My child is ten months old, and since birth has been alling. Several prominent doctors treated him, but without avail, until about one week ago I called upon Dr. MacLennan; and now, after only that short time, my baby will sleep for hours, whereas before ten minutes was a long nap. Besides this, the nervousness has passed away, its bowels have become regular, and baby has gained one pound. I can never repay the Doctor for this worderful change he has wrought in my child; but I wish to give this testimonial, so that it may be the means of bringing joy and sunshine to another household. Respectfully,

MRS. OHS BLABON,

A WONDERFUL CURE OF DEAFNESS.

Mrs. Tannor, an elderly lady, 74 years of age, living at Berryessa, now rejoices in the restoration of her hearing. She can hear her clock tick in the next room, something she has not done before in ten years. Dr. MacLennan brought about the wonderful change in one

Anteeo Wins the 2:24 Class Contest in Straight Heats.

At the Bay District track Saturday there was a chilly breeze and still more frigid for at times drifting in from the heads. The track, too, was not in as good condition as it usually is, being rather deep, and in places a little soft from the wetting, which required sunshine to remedy. It was safe, however, and though perhaps a couple of seconds slow, the course might be termed better than the day for the trotters to show their quality. The main race was for a purse of \$500, 2:24 class, the starters Anteeo, Magdallah, B. B. and Cairo. At the first opening of the pool sales Anteco was the course might be termed better than the day for the starters Anteeo, Magdallah, B. B. and Cairo. Result of the Election at the Metropolis—Blaine's Plurality.

The count of the vote of San Francisco was completed as far as possible Friday night. Two precincts remain from which no semi-official returns have been received at all, the officers not having made any transcript of the tally-sheets prior to scaling them up with the ballots. These precincts are the Fifth of the Forty-Fourth district and the Ninth of the Forty-Fighth. The figures from them cannot be obtained until the official count is commenced by the Election Commissioners. Without them a total of 45,755 votes are counted, which show the following results by majorities. The figures may be changed slightly by the official count, but the result in a case is likely tak above and a support of the counter of

MIDDLE-AGED MEN. There are many at the age of 30 to 60 who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and torpid appearance. There are one will be of a tim ministrate, again change ing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of
